- ☞ Only one (1) car per unit is allowed to park in the front parking area.
- ☞ If you have a second car, you **MUST** park it in the playground area parking on Christopher Street ... not at the front of the building.
- ☞ **Visitors** must park in the Christopher Street parking area -- not in front of the building.
- ▲ Some units even have a 3rd car parked in the front parking lot. **This is not permitted. PLEASE REMOVE THEM.**
- ▲ There are **out-of-service** cars in the front parking. **THESE MUST BE REMOVED TO THE CHRISTOPHER STREET PARKING IMMEDIATELY.**

HANDICAP PARKING IN THE FRONT MUST BE KEPT FREE. WE HAVE NOTICED CARS ARE PARKING IN THESE HANDICAP SPOTS EVEN WHEN THERE IS SPACE ELSEWHERE IN FRONT.

Members are becoming very frustrated because they cannot even park one car in the front because of some use two and three spots AND THIS HAPPENS AS EARLY AS 6:00 pm.

NOTE: In the spring, we will be putting a new parking plan into effect and posting various spots for visitors only.

IF YOU DO NOT ABIDE BY THE ABOVE RULES, YOU WILL BE WARNED ONCE AND IF WE FIND YOUR CAR(S) ILLEGALLY PARKED AGAIN, IT WILL BE TOWED AT YOUR EXPENSE.
